

**AFFIDAVIT**

I, Cristin Stammeler, being first duly sworn, hereby depose and state as follows:

**PURPOSE OF AFFIDAVIT**

1. This affidavit is in support of a search warrant for 5865 N London Avenue, Kansas City, Platte County, Missouri 64151 (the SUBJECT PREMISES) as described more fully in Attachment A.

2. The requested search warrant seeks authorization to seize evidence, fruits, or instrumentalities of violations of 21 U.S.C. § 841(a)(1) (possession with intent to distribute and distribution of controlled substances), 21 U.S.C. § 846 (conspiracy and attempt to distribute controlled substances), 18 U.S.C. § 1956(h) (money laundering conspiracy), and 18 U.S.C. § 1956(a) (money laundering), as described more fully in Attachment B.

3. The facts set forth in this affidavit are based upon my personal observations, my training and experience, and information obtained from various law enforcement personnel and witnesses. This affidavit is intended to show merely that there is sufficient probable cause for the requested search warrant and does not purport to set forth all of my knowledge of the investigation into this matter. Unless specifically indicated otherwise, all conversations and statements described in this affidavit are related in substance and in part only.

**BACKGROUND OF AFFIANT**

4. I am a Detective with the Kansas City, Missouri Police Department (KCPD) and have been so employed since 2006. I am currently assigned to the Financial Investigations Section and am a Task Force Officer with the Federal Bureau of Investigation (FBI). In connection with my official duties, I investigate criminal violations of the Controlled Substances Act, among other crimes. I have received specialized training in the enforcement of federal narcotics laws and other laws. My

training and experience has involved, among other things, (a) the debriefing of defendants, witnesses, and informants who have knowledge of the distribution and transportation of controlled substances, and of the laundering and concealment of proceeds of drug trafficking; (b) surveillance; (c) analysis of documentary and physical evidence; and (d) participation in previous wire intercept investigations. Based on my training and experience, I have become familiar with the manner in which narcotics traffickers conduct their drug-related businesses, including the methods employed by narcotics distributors to import and distribute narcotics, and their use of coded language to refer to narcotics, drug proceeds, and other aspects of narcotics trafficking. I received law enforcement training for the investigation of money laundering offenses and participated in investigations of the possession, manufacture, and distribution of controlled substances, including cocaine, methamphetamine, crack cocaine, and marijuana. I have also acquired knowledge and information about investigations from on-the-job training, from other law enforcement officers, and from other investigations that I have conducted or have been so involved.

#### **PROBABLE CAUSE**

5. The FBI and KCPD have actively been investigating a Drug Trafficking Organization (DTO) that has been operating in Kansas City, Missouri area. The investigation into this DTO has shown that these individuals are involved with the distribution of illegal controlled substances, including marijuana. The DTO also conceals the profits obtained from the sale of marijuana, and utilizes proceeds to acquire goods and promote the ongoing drug trafficking conspiracy.

6. September 10, 2020, an arrest warrant was issued in the Western District of Missouri for Eric Goodwin, authorizing his arrest for violation of Title 21 USC §§ 841(a)(1), (b)(1)(A), and 846, Conspiracy to Distribute Marihuana.

7. On September 15, 2020, members of the KC SWAT (FBI) executed the arrest warrant for Eric Goodwin at 5865 N. London Avenue, Kansas City, Platte County, Missouri 64151. KC SWAT (FBI) knocked and announced at the front door of the residence. Due to an extended delay in anyone responding to the front door and sounds from inside the residence, KC SWAT forced entry into the residence. It should be noted the front door was secured by a dead man device, commonly used by drug traffickers to prevent/slow down entry to the premises. Upon entry, KC SWAT encountered Goodwin in the kitchen throwing a black backpack in the pantry. Goodwin was then detained without further incident. The top of the black backpack was open and in plain view agents observed a clear plastic bag containing a white powder. Packaging was consistent with that of illegal narcotics.

8. A protective sweep of the residence revealed the following items in plain view:

- A black bag off the kitchen – a strong odor of raw marijuana was coming from the area of the bag;
- A black FN style pistol, in the upstairs north bedroom;
- Samsung tablet and two (2) black cellular phones on the bed in the north bedroom;
- A stack of United States currency was observed on top of the dresser banded together in the north bedroom with the top bill being a \$100 bill; and
- A five gallon plastic water jug was observed in the closet in the north bedroom containing an unknown amount of United States currency.

9. Goodwin was transported to FBI HQ, located at 1300 Summit Street, Kansas City, Missouri. Officers have verified that Goodwin is a convicted and therefore prohibited from possessing firearms.

**CONCLUSION**

10. Based upon the information described above, I have probable cause to believe that violations of 21 USC §§ 841(a)(1) and 846 have been committed, are being committed, and will continue to be committed at 5865 N. London Avenue, Kansas City, Platte County, Missouri 64151. Based on the above information, I believe there is probable cause that evidence of these crimes will be located at this residence. I respectfully petition the Court for a warrant authorizing the search of the residence located at 5865 N. London Avenue, Kansas City, Platte County, Missouri, in order to search for those items listed in **Attachment B** of the search warrant and attached herein, for potential violations of 21 USC §§ 841(a)(1) and 846.
